What You Can Do to Prevent Litter?

Changing a common behavior, like littering, starts with you. Each person must accept responsibility for their actions and influence the actions of others around them at home, at school, in your place of business, and in the community at large. Starting with these actions:

- **Properly dispose of any litter or garbage.** If you are not near a proper trash receptacle, secure your litter until it can be properly discarded
- **Avoid placing trash for curbside pick up outside too far in advance**
- **Recycle!** A large percentage of litter that is collected during clean up events is recyclable material such as glass or aluminum. You can help reduce the amount of litter generated, and save landfill space by recycling glass, plastic, aluminum, paper, and any other recyclable material.
- **Chose not to litter.** Make the commitment now to join with thousands of other Americans to not be a litter-bug.
- **Educate friends and family on the litter laws in Texas**
- **Remind others not to litter and why.**

The Issue of Litter

Litter is easily carried from the land into streams, rivers, and beaches by storm water runoff through curb, gutter, and storm drain systems. In spite of decades of messages from anti-litter campaigns, litter continues to be a major environmental concern, threatening water quality, human health, and wild life, as well as creating unsightly road and waterways.

pedestrians, cyclists, and motorists who do not use proper receptacles, improperly covered commercial dumpsters, commercial and recreational marinas lacking proper waste receptacles, construction and demolition sites, trucks with uncovered loads that allow litter to blow out onto roadways, and household trash that is scattered before or during collection.

Litter often results when people feel a lack of connection to a community, or a lack of pride in a place of business or residence.

The most common sources of litter are

Halloween Decorating Contest

The Annual Halloween Decorating Contest will be held in October once again. The Landscape Committee will be on the lookout for ghouls and goblins and boo-tiful Halloween decorations all over Mira Lagos. Prizes will be awarded for the most spook-tacular homes. All decorated homes will automatically be in the contest, no need to enter to win. Weather permitting, judges will be making the rounds between October 26 – October 31st, so pull your skeletons out of the closet and get ready to scare the daylights out of your neighbors. Happy Haunting!

FALL GARAGE SALE

The entire community had an opportunity to clean out their closets, garage, and storage cabinets to make room for more “stuff” during the Fall Garage Sale on Saturday September 10, 2016! There were lots of bargains to be found and it was a great time to meet new friends and get caught up! A little rain couldn’t stop us! *See you in the Spring!*

Welcome to Mira Lagos

I would like to welcome our new homeowners and add; *you are finally home!* As the Welcome Chair, I have watched us grow. If you received an invitation to our Welcome Reception and were not able to attend, please send an email to welcome@miralagoshoa.com and I will make sure you receive an invitation to our next Reception in March.

While I wear the hat as Welcome Chair, I also coordinate a few ladies groups. If you would like to join in, meet some new friends, have some great laughs, food & cheer, we have BunKo, LCR & LCR Wild. Our Ladies Night Out is held on Monday nights. If you wish to give it a try, send me your name, email address and which group you would like to be part of. There is no commitment to attend every Monday, but once you come to one; you’ll want come to all!

CPR and First Aid & Safety Training Classes

On August 11, twenty-six Mira Lagos residents attended the free CPR training class and on August 25, sixteen residents attended the First Aid training class coordinated by the Safety Committee. The training was held at the Rush Creek Church in Grand Prairie and taught by Grand Prairie Firefighter Brad Smith.

Students learned adult and infant CPR, basic first aid, proper use of an Automated External Defibrillator, and how to deal with choking. Participants watched videos, went through various scenarios, and practiced their newfound skills with training devices.

Participants that completed the training will receive a CPR card from the American Heart Association, which is valid for two years.

Special thanks go out to Brad for his continued support of the CPR and First Aid Training. This is Brad’s sixth year teaching the CPR and First Aid classes in our community and he will be returning to teach another CPR training class on October 13 at 6:30pm, also at Rush Creek Church. Feel free to stop by and say “Hello” to Brad and the other City of Grand Prairie Fire Fighters at Fire Station#7, located at the northeast corner of Lake Ridge Parkway and Lynn Creek Pkwy/Mansfield Rd. Seating is limited.

You must register to participate. To register please contact the Safety Committee at safety@miralagoshoa.com

NATIONAL NIGHT OUT

**Mark your calendars!
Mira Lagos HOA NNO**

Tuesday, October 4

6:30pm to 8:30pm

Rush Creek Church Mira Lagos

Lots of fun, activities and prizes to be had! Bounce House, Face Painting, Balloon Artist and more!

The introduction of National Night Out, “America’s Night Out Against Crime”, in 1984 began an effort to promote involvement in crime prevention activities, police-community partnerships, neighborhood camaraderie and send a message to criminals letting them know that neighborhoods are organized and fighting back. NATW’s National Night Out program culminates annually, on the first Tuesday of October.

National Night Out now involves over 37.8 million people and 16,124 communities from all fifty states, U.S. Territories, Canadian cities, and military bases worldwide.

The traditional “lights on” campaign and symbolic front porch vigils turned into a celebration across America with various events and activities including, but not limited to, block parties, cookouts, parades, visits from emergency personnel, rallies and marches, exhibits, youth events, safety demonstrations and seminars, in effort to heighten awareness and enhance community relations.

This is a wonderful opportunity for communities nationwide to promote police-community partnerships, crime prevention, and neighborhood camaraderie. While the one night is certainly not an answer to crime, drugs and violence, National Night Out represents the kind of spirit, energy and determination to help make neighborhoods a safer place year round. The night celebrates safety and crime prevention successes and works to expand and strengthen programs for the next 364 days. www.natw.org

Pumpkin Chocolate Butterscotch Chip Cookies

Because pumpkin loves chocolate — but it loves butterscotch even more.

INGREDIENTS

- 2 c. flour
- 1 1/2 tsp. baking powder
- 1 tsp. baking soda
- 1/2 tsp. salt
- 2 tsp. ground cinnamon
- 2 eggs
- 1 c. sugar
- 1/2 c. vegetable oil
- 1 c. canned pumpkin puree
- 2 tsp. vanilla extract
- 1 c. butterscotch chips
- 1 c. semi-sweet chocolate chips

DIRECTIONS

1. Preheat oven to 325 degrees. In a medium bowl, combine flour, baking powder, baking soda, salt, and cinnamon. Mix until well-blended.

2. In the bowl of an electric mixer, combine eggs and sugar, and beat on medium-high until smooth and pale, about 1 minute. Beat in the oil, pumpkin puree, and vanilla extract and mix until well-combined. Turn the mixer down and slowly blend in the flour mixture until just incorporated. With a rubber spatula, gently fold in the butterscotch and chocolate chips.
3. Using a medium-sized ice cream scoop, place mounds of cookie dough on a cookie sheet lined with parchment paper, about 2 inches apart. (The cookies will spread.) Allow to bake about 15 minutes, until the cookies are springy to the touch. Allow to cool.

Brown Butter and Cheddar Apple Pie

Filling

- 3 pounds apples, preferably a combo of Cortland and Honey Crisp, peeled and roughly chopped
- 1/3 cup granulated sugar
- 3 tablespoons dark brown sugar
- 4 tablespoons unsalted butter
- 2 tablespoons cornstarch
- 2 tablespoons water

Serves 8 to 10

Pie crust

- 2 1/2 cups AP flour
- 3 tablespoons semolina flour
- 1 teaspoon salt
- 12 tablespoons cold unsalted butter, cut into cubes
- 2 tablespoons cold lard
- 1/2 cup grated sharp yellow cheddar
- Small glass ice water
- 1 egg, beaten for egg wash

1. Toss apples and sugars together in large bowl. Set aside for an hour to allow apples to break down.
2. Sift flours and salt together by hand or in bowl of food processor.
3. Add butter, along with the lard and cheese, to flour mixture. Pulse food processor (or cut into flour quickly by hand) just until fat and flours turn into a pebbly mixture.
4. Remove blade from processor and sprinkle about 6 tablespoons of ice water on pebbly mixture. Using your hands, gently combine until the dough starts to hold together. Add more water as needed.
5. Cut dough in half and form into disks, one a bit bigger than the other. Wrap with wax paper and chill for about 30 minutes.
6. Roll out larger disk of dough on floured surface. Gently fit into pie dish, crimping the edges. Refrigerate for another 30 minutes. Pre-heat oven to 400.
7. Poke dough in pie dish with fork to ventilate. Line with parchment or foil and add pie weights (or beans and/or rice). Bake for 10 minutes. Remove parchment and pie weights and bake for another 5-10 minutes until pie shell starts to look dry-ish on the bottom. Cool.
8. Meanwhile, onto the filling: Melt the 4 tablespoons of butter in a saucepan over med-high heat. Swirl until the foam subsides and the butter turns a nut brown color. Watch closely - this can burn quickly. Toss with apples.
9. Dissolve the cornstarch in the 2 tablespoons of water and toss into apple mixture.
10. Roll out second disk of dough on floured surface to fit the top of your pie.
11. Fill par-baked pie shell with apple mixture. Gently fit top over the filling, crimping the edges. With a sharp knife, cut slits or poke with fork to vent.
12. Beat egg with one tablespoon of water. Brush egg wash on top of pie.
13. Bake at 350 for about 50-60 minutes, until filling is bubbly.

Fill-A-Backpack™ Community Sharing Event Makes a Difference!

During the month of August, Mira Lagos HOA Social Committee hosted its Second Community Sharing Event with a goal to fill at least 50 backpacks with school supplies and non-perishable food items. We exceeded our goal! Committee members and community volunteers spent a lot of hours filling more than 50 backpacks with essential school supplies and bags of food/groceries for children at our neighboring Erma Nash Elementary School on Broad Street in Mansfield, TX.

Thank you Mira Lagos for making a difference!

HALLOWEEN SAFETY TIPS

Walk Safely

1. Cross the street at corners, using traffic signals and crosswalks.
2. Look left, right and left again when crossing and keep looking as you cross.
3. Put electronic devices down and keep heads up and walk, don't run, across the street.
4. Teach children to make eye contact with drivers before crossing in front of them.
5. Always walk on sidewalks or paths. If there are no sidewalks, walk facing traffic as far to the left as possible. Children should walk on direct routes with the fewest street crossings.
6. Watch for cars that are turning or backing up. Teach children to never dart out into the street or cross between parked cars.

Trick or Treat With an Adult

1. Children under the age of 12 should not be alone at night without adult supervision. If kids are mature enough to be out without supervision, they should stick to familiar areas that are well lit and trick-or-treat in groups.

Keep Costumes Both Creative and Safe

1. Decorate costumes and bags with reflective tape or stickers and, if possible, choose light colors.
2. Choose face paint and makeup whenever possible instead of masks, which can obstruct a child's vision.
3. Have kids carry glow sticks or flashlights to help them see and be seen by drivers.
4. When selecting a costume, make sure it is the right size to prevent trips and falls.

Drive Extra Safely on Halloween

1. Slow down and be especially alert in residential neighborhoods. Children are excited on Halloween and may move in unpredictable ways.
2. Take extra time to look for kids at intersections, on medians and on curbs.
3. Enter and exit driveways and alleys slowly and carefully.
4. Eliminate any distractions inside your car so you can concentrate on the road and your surroundings.
5. Drive slowly, anticipate heavy

pedestrian traffic and turn your headlights on earlier in the day to spot children from greater distances.

6. Popular trick-or-treating hours are 5:30 p.m. to 9:30 p.m. so be especially alert for kids during those hours.

FAMILY MOVIE NIGHT

The Mira Lagos community had a fabulous time on Saturday, August 27, 2016 during the *Family Movie Night at the South Pool*. The day was perfect for some popcorn and taking a dip in the pool just before the featured movie “UP” aired at dusk. The kids had a blast with all the glow necklaces and found fun and creative ways to enjoy the “glow”!
