This Christmas Season

Christmas time! A time for happiness, love and togetherness. For the most part this version of Christmas is common and expected. However, for some, Christmas is a time of sadness, debt and loneliness. Since when has this holiday become a season for material gain and division?

I believe that this season like any other season we should take care of our own family, and remember to treat others with the same dignity, respect, and love as we would like to be treated. I believe that if we, as a community, were to not only focus on the needs of our family but also of others, we could stir a positive change that we desperately need.

I encourage you to look at your immediate and extended family, to your kid's friends from school or clubs, your neighbors, the people standing next to you at church, your co-workers, anyone and everyone you come in contact with and ask yourself one question: "How can I give something back to this person right now?" Don't get me wrong, I'm not talking about money, but if that's what you want to give I would hate to limit you, but sometimes a smile, small conversation, an invitation to eat, five minutes of your time

or just simply a hug can be worth more than millions of dollars.

As human beings we were created to relate to one another, so why not turn this "gift receiving" season to a "selfless giving" season? "The next time you put on a dinner, don't just invite your friends and family and rich neighbors, the kind of people who will return the favor. Invite some people who never get invited out, the misfits from the wrong side of the tracks. You'll be—and experience—a blessing. They might not be able to return the favor, but the favor will be returned—oh, how it will be returned!" One day the favor we extend will be given back to us.

In this time of division and segregation between the "haves" and the "haves-not," let's turn it around and learn from those that are in the gap fighting, to unite us, not because of the color of our skin, language, socioeconomic status but because at the end of the day "[w]e hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness."

"Who knew buying and selling a house at the same time could be so easy. Christina is awesome!"

FREE MARKET ANALYSIS
Christina Kang 817.739.7433

The holidays CAN be a good time to sell your home. Here are several reasons why...

1. Buyers who look for a house during the holidays are generally more motivated and have more time to look.
2. There are fewer homes on the market during the holidays, therefore, less competition for your property.
3. Houses look their best decorated for the holiday season and neighborhoods are more attractive.
4. Even though your home is on the market, you can delay your closing or restrict your showings for a few days around the holiday if you want to be able to celebrate uninterrupted.
5. Potential buyers may want to take advantage of tax deductible closing costs by closing before year end.
6. For buyers with children, purchasing a home and getting settled before school resumes in January is the next best alternative to moving during the summer months.
7. January is traditionally the month for many company transfers—and transferees can't wait until spring. Your home must be on the market to capture those buyers.
8. When marketing your house during the holiday season, you may have fewer actual showings, but the buyers may be more qualified and motivated. Less competition may result in a quicker sale and a higher sales price.

Santa Cop Grand Prairie

On Saturday, December 3 from 9 a.m. – noon, the Mira Lagos HOA Safety Committee will be collecting donations for the Santa Cop/Santa Spot program. The collection locations will be at the Mira Lagos Tower at the intersection of England Parkway and Day Miar and intersection of Grand Peninsula and England Parkway.

Santa Cop and Santa Spot are charitable programs endorsed by the Grand Prairie Police (Cop) and Fire (Spot) Depts. Santa Cop and Santa Spot provides assistance to the less fortunate of Grand Prairie, during Christmas, and times of natural disaster, fire, floods, and instances of Family Violence. This helps those children and families to cope with their difficult times making the way to a better living situation.

Residents from Mira Lagos have been BIG donors in past years and we aim to make this the best year ever. Please help by dropping off a new, unwrapped toy with us during the event or at the HOA office during business hours. The program accepts cash donations, but prefers toys. Toys ranging in size from dominoes to bicycles have been donated in the past. Every donation helps and gives back to residents in Grand Prairie.

Look for police or fire vehicles and volunteers taking donations at the intersection mentioned above. If you would like to volunteer to help collect donations, email us at safety@miralagoshoa.com. We will have free hot cocoa, coffee and donuts for volunteers. See you there!

For more information about Santa COP/Santa SPOT, check out the web site at:

Vendors within and outside our community showcased their products or services, horse and buggy rides were fantastic, Miss Purdy had everyone dressed for the fall trip back in time, kids of all ages waited patiently to have their face painted, parents took the opportunity to take their children's fall pictures in the pumpkin patch while they gathered a pumpkin for their kitchen table or the front porch, kids had a blast jumping around in the bounce houses and everyone enjoyed a slice of pizza or a hot Chic-Fil-A sandwich while it lasted!

Thanks to all the Vendors that participated! Hope to see you next year!

Parking in Residential Areas

We are always getting reports of on street parking from your neighbors. Parking in your driveway and garage is not only less disruptive to your neighbors, but it creates a safe neighborhood and helps prevent car thefts.

Here are some parking tips to live by:

- Use your driveway and garage! Make sure that in your spring cleaning, you take the time to clean out and make room for your car in your garage.
- When parking in your driveway, be careful not to block the sidewalk. This is a violation of the City Ordinances.

If you must have vehicles parked on the street:

- Do not block mailboxes. Vehicles parked in front or close to mailboxes will not have their mail delivered by the US Postal Service.
- Be sure to park in a way that you are not blocking sight or traffic.
- Park in front of your home and have your guests do the same. Please do not punish your neighbors by blocking their home and spaces for visitor parking.
- Be sure the vehicle you are parking on the street is a regular day to day use vehicle. It must move on a daily basis like going to and from work or school. Vehicles are not allowed to stand or park unattended for a continuous period of 48 hours on a public street.
- Vehicles cannot be parked in the front, side or rear yard, unless on asphalt or concrete
- No parking of oversized vehicles (over 1.5 tons, width of 8 feet and length of more than 16 feet) in residential neighborhoods

Please be a courteous neighbor.
If you can, park in the garage or driveway.

December Landscaping Tips

The holidays are upon us and everyone is busy planning for Christmas with family and loved ones. But just in case you don't have enough to do, we thought we'd go ahead and share some December Landscaping Tips for all our gardening enthusiasts!

Plant bare root roses.

Be watchful with indoor plants that children, cats, and dogs don't nibble.

Buy Christmas tree shaped rosemary and after the holidays plant it outside.

Plant spring flowering bulbs like Daffodils, Tulips, Hyacinths, and Crocuses.

In bare vegetable garden areas, plant Elbon cereal rye, till under in the spring 6 weeks before planting.

Japan's December 7, 1941 attack on Pearl Harbor and six other military bases on the Hawaiian island of Oahu precipitated America's entry into World War II, a global conflict. Pearl Harbor endures as a symbol of American resilience and resolve, and the annual commemoration of the attack on Pearl Harbor fosters reflection, remembrance, and understanding. The 75th anniversary of the attack on Pearl Harbor is an opportunity to honor the sacrifice and dedication of our "Greatest Generation" both civilian and military, the endured incredible sacrifices on December 7, 1941, the "date which will live in infamy." It would thrust America into World War II, changing Hawaii and America forever and continues to define their place in the world. The events of that date triggered our resolve as a nation, our can-do attitude and resourcefulness and an unmatched commitment to the defense of freedom.

~Gayla LeMairesk

When asked if I would write an article in appreciation of our Welcome Committee Volunteers, I asked myself what could I write that would extend a thank you to the best committee a gal could have! Researching online, I found the quote above ~ it truly describes the group of volunteers that take the time to bring our new homeowners a welcome bag, sometimes making multiple attempts before finding someone home.

Yet a quote isn't enough. So, here are the names of the best volunteer group a neighborhood could have. Thank you again to all that give their time and energy.
